

## **Presentation Program Booklet – Advertisement Sales**

The Celebration Chorus invites you to promote your business, or to congratulate, or acknowledge the accomplishments of someone you know or love, by purchasing ad space in our next worship presentation's program booklet. In past seasons, our presentations have attracted hundreds in audience, and filled presentation venues to almost full capacity.

Proceeds from ad sales go directly to offsetting rehearsal venue rental, contracted services and other costs associated with organizing a musical/choral presentation. We encourage you to take an active role in supporting Singapore's Christian choral community, and purchase ad space in our presentation program booklet.
